(one for each registered household vehicle that will use the Transfer Station).

Office Use

Received \$ _____ CK# _____ or Cash _____ for Transfer Station permit

_____ ** Replacement permit # _____

Authorized Official _____

REMEMBER:

- (1) Permits must be displayed on your vehicle to use disposal/recycle area
- (2) **NEW "tag" system to replace bags (November 2023)**

In an effort to reduce the introduction of unnecessary plastic to the waste stream, Windsor is discontinuing the sale of the blue/green garbage bags for the pay to throw program. We will now sell tags to be affixed to the trash going into the compactor. Each tag costing \$1 entitles you to throw 33 gallons of trash (the amount you could previously get into a large blue bag.) You can choose to use large plastic bags, or you can use paper or other options. If you have 50 pound feed bags, dog food bags etc. two of them are equivalent to 33 gallons.*Stickers can be purchased daily at Friendly Fred's and Sangar's General Store,

THE TRANSFER STATION ON ROUTE 9 IS OPEN

Wednesday 4-6:45 PM
Saturday 8AM to 11:45PM

Disposal Fees

In addition to the car sticker, there are fees for disposing of all items (except recyclables).

Household Garbage

Tag stickers are required for disposing in Compactor - available for purchase at Friendly Fred's and Sangar General Store. Attach tag to each 33 gallon bag of garbage or equivalent.

- Page of 5 stickers - \$5

Large Items

- Bicycle - \$5
- Wooden Chair - \$5
- Upholstered Chair - \$20
- Sofa - \$45
- Rug - \$20
- Box Spring - \$25
- Car tires - \$6
- Pickup truck tires - \$15
- Larger truck tires - \$80
- Big tractor tire - \$150
- Commercial truck tire (6-18 wheeler) - \$220
- White Goods - \$15
- Note: Mattresses and box springs are no longer allowed - instead, they must be brought to the Dalton Transfer Station for recycling at \$40 each. Note that any mattress that is soiled, wet, has bugs or human fluids and can not be recycled will have a significantly higher charge for disposal.

7/29/25 Note about tire price changes: The cost to the town of disposal of tires continues to rise so we must reluctantly raise the charge to residents to drop off tires at the transfer station. The cost of larger ply tires like tractor tires see the most significant increases as they must be delaminated to process. We continue to recommend that where possible residents ask the dealer where they buy new tires to dispose of the old ones, as dealers have lower costs than individual towns.

Demolition Materials

- Per Barrel - \$5
- 6' Pickup - \$75
- 8' Pickup - \$90
- One Ton - \$165
- Dump Truck - \$365

Food Composting (NEW - May 2025)

[Details here](#) [pdf].

Summary:

What we accept

- Meat & Bones
- Dairy & Eggs
- Bread & Grain
- Nuts & Seeds
- Fruits & Vegetables
- Coffee Grounds & Tea

What we DO NOT accept

- Anything other than food including:
- Compostable Plastic & Bags
- Stickers & Labels
- Oil in Bulk
- Trash & Plastic
- Paper & Cardboard

- Twist Ties & Staples or Rubber Bands

Sharps

You can bring medical sharps (hypodermic needles, epi-pens, syringes, etc.). There is a sharps container inside the "mercury shed", or ask the attendant.

Medication Disposal

Not at the transfer station, but available at the Police station (lower level of Town Offices). Peel off or scribble over personal id info and drop the meds in the secure box. Don't keep old meds around the house. It's easy to dispose of them in the secure box.
